4. How we protect your personal data

4.1 In order to manage your membership of the Academy and communicate with you, it may sometimes be necessary for us to transfer your personal data outside the European Union. However we will only do so in accordance with the GDPR. That is most likely to involve either approval by the EU Commission that the country to which your data is being transferred provides adequate protection for personal data or on the basis of standard clauses, required by the EU, with the organisation to which we are transferring your data.

4.2 We have implemented generally accepted standards of technology and operational security in order to protect personal data from loss, misuse, or unauthorised alteration or destruction.

4.3 Please note however that where you are transmitting information to us over the internet this can never be guaranteed to be 100% secure.

4.4 For any payments which we take from you we will use a recognised online secure payment system.

4.5 We will notify you promptly in the event of any breach of your personal data which might expose you to serious risk.

5. Who else has access to the information you provide to us?

5.1 We will never sell your personal data. We will not share your personal data with any third parties without your prior consent (which you are free to withhold) except where we are required to do so by law or as set out in the table above or in paragraphs 5.2 and 5.3 below.

5.2 We may pass your personal data to third parties who are service providers, agents and subcontractors to us for the purposes of completing tasks and providing services to you on our behalf (e.g. to print newsletters and send you mailings). We do this for the purpose of our legitimate interests in operating the Academy and for performing our contract with you. However, we disclose only the personal data that is necessary for the third party to deliver the service and we have a contract in place that requires them to keep your information secure and not to use it for their own purposes. It is possible that third parties may themselves engage others (subprocessors) to process your data. Where this is the case third parties will be required to have contractual arrangements with their sub-processor(s) that ensure your information is kept secure and not used for their own purposes.

5.3 We may also pass your personal data to the National Ice Skating Association (NISA) and other related skating organisations for the purposes of competing and/or training when it is in the legitimate interest of the Academy to do so.

6. How long will we keep your information?

6.1 We will hold your personal data on our systems for as long as you are a member of the Academy and for as long afterwards as it is in the SSSA's legitimate interest to do so or for as long as is necessary to comply with our legal obligations. We will review your personal data every year to establish whether we are still entitled to process it. If we decide that we are not entitled to do so, we will stop processing your personal data except that we will retain your personal data in an archived form in order to be able to comply with future legal obligations e.g. compliance with tax requirements and exemptions, and the establishment, exercise or defence of legal claims.

6.2 We securely destroy all financial information once we have used it and no longer need it.
